After Victoria is attacked at her own party and Dean fights off the culprit, she's forced to tell him her secret: Victoria's father is on his deathbed, and her brother, who nearly ran the company into the ground, might be willing to do anything to make sure controlling interest goes to him. Dean wants nothing to do with the ice princess CEO, even if he can't keep his eyes off certain assets of hers. He's got enough on his plate between trying to get enough work to pay the bills and raising his little sister who's growing up much too fast for his liking. Despite his misgivings, when Victoria offers him a blank check if he will keep his mouth shut about what he saw and shadow her until she can hire a more qualified bodyguard, he can't bring himself to turn down that kind of cash. Over the next few days, Dean learns Victoria isn't as cold as he first thought and Victoria realizes that Dean is so much more than a handyman. But someone wants her dead and if they don't figure out who and stop them, they might never get their happily ever after. ...more Tempting The Boss (Billionaires in the City, #3) PDF ebook
